The screenshot shows a video player interface. At the top, a blue header bar contains the text "動画\_基礎編". The video content displays a 3D scene with several colorful spheres (red, blue, yellow) floating in a light blue space. Below the video, a progress bar shows "0:11 / 0:32". To the right of the progress bar are icons for volume, full screen, and a menu. Below the video player, there is a "再生速度:" (Playback speed) dropdown menu set to "標準" (Standard) and a blue "終了" (End) button. A white callout box with a black border points to the menu icon, containing the text "右クリックが無効になっている" (Right-click is disabled). To the right of the video player, there is a vertical list of dates: "2017/09/20" and "2017/09/20". At the bottom left of the interface, there is a small line of text: "動画だけが一覧に表示されます。" (Only videos are displayed in the list).
