The screenshot shows the LearningCast interface. On the left is a navigation menu with items like 'ホーム', '申込受付中の研修', '研修申込状況', '監査者・組織長の方', 'eラーニング', 'コンテンツ', 'テスト', 'アンケート', '課題', and '運用管理'. The main content area is titled '証明書発行履歴' (Certificate Issuance History). Under '受講者情報' (Learner Information), the login ID is 'assign001' and the name is '割当一 太郎'. Below this is a table of certificate issuance records. The first row shows a record from 2022/08/09 14:46:00 issued by 'system' to 'System System' with the file '受講証明書サンプル.zip'. A red box highlights a link '変数の置き換え情報' (Variable Replacement Information) next to the file name. A callout box with a speech bubble points to this link, containing the text: 'クリックすると変数の置き換え情報が表示される' (Clicking will display the variable replacement information).

This screenshot shows the same LearningCast interface as above, but with a modal dialog box open. The dialog is titled '変数の置き換え情報' (Variable Replacement Information) and contains a table with the following data:
