PCのテスト回答画面

This screenshot shows the 'Test Response' screen for a PC. It displays a question asking what the symbol in the image is. The question is marked as required. A timer at the top right shows 9分14秒 (9 minutes and 14 seconds). Below the question, there is a list of options with checkboxes: 停止マーク, スキップマーク, 再生マーク, and リプレイマーク. The 'スキップマーク' checkbox is checked. At the bottom, there are buttons for '一时退出する' (Logout) and '提出確認する' (Review Submission).

PCのテスト確認画面

This screenshot shows the 'Test Confirmation' screen for a PC. It displays the same question and options as the response screen. A message at the top says 'Answer content to be confirmed' with instructions: 'Please answer the question and click the [Submit Confirmation] button in the bottom right corner.' Below the message, the question and options are shown again.

モバイルのテスト回答画面

This screenshot shows the 'Test Response' screen for a mobile device. It displays the same question and options as the PC screen. A timer at the top right shows 24分56秒 (24 minutes and 56 seconds). The 'スキップマーク' checkbox is checked. At the bottom, there are buttons for '一时退出する' and '提出確認する'.

モバイルのテスト確認画面

This screenshot shows the 'Test Confirmation' screen for a mobile device. It displays the same question and options as the PC screen. A message at the top says '必答問題に回答していません' (No answer provided for required question) and '残り時間: 24分39秒' (Remaining time: 24 minutes and 39 seconds). The question and options are shown again.

変更後

This screenshot shows the 'Test Response' screen for a PC after the change. A message box is overlaid on the screen, containing the text 'localhost:8080 の内容' (Content of localhost:8080) and '入力の回答時間が過ぎたので、自動的にテストが提出されます。この後は入力できません' (Since the input answer time has passed, the test will be submitted automatically. No input can be entered thereafter). A blue callout points to this message box with the text '時間切れになった際にメッセージを表示するようにしました' (Modified to display a message when time runs out). A red box highlights the message box area. The rest of the screen shows the test response interface with a question about a recycling symbol and a timer.
